

## MESSAGE FROM A MITE BOX

Let me introduce myself. I'm called a *Mite Box*. Now, a mite box isn't generally something impressive or important, but would you be impressed if I told you that mite boxes have produced over twenty million dollars for missions?

Chapels and schools, TV programs and radio broadcasts, hospitals and mission houses, jeeps and planes for missionaries; I could go on and on telling you about all the things provided through the mites women of Lutheran Women's Missionary League–Canada and friends have prayerfully dropped into boxes like me.

A single small coin and a simple prayer may not seem to have the potential for anything momentous, but multiply that by all of those supporting us and the picture changes. And that's not all. Even the single coin and the one who drops that coin and breathes a prayer are blessed.

My very presence, whether it be on the kitchen window sill, the telephone stand, mantel, or counter, can be a powerful daily reminder that you can be involved with mission and ministry for Jesus every day! Even if you're not directly involved with the work of the LWMLC, I would love to have you adopt me and give me a bit of nourishment each day.

Many stores seem to have a collection box near the cashier to collect your change for a worthy cause. Now you can have a MITE BOX to collect your change for Mission Grants.

Bring me to church on the Sunday of the month specified by your LWMLC group when I get full and I can join all my sisters and brothers and we can do mighty things for missions.
